△ A product eligible for the Free with 5 program.

\*Please see the detailed compensation plan Document 701 for the breakdown of the 25%

± The selling price for the commission on this product is the same as the monthly subscription for the exact same product.

\*\* Commission Value (CV) varies based on customer usage and pricing requirements. The minimum CV is 10.5 cents per 100 KWH. On larger deals that require a much more aggressive discount, if we are unable to meet the minimum CV on a particular order, we will notify the representative.

\*\*\* Bounties are paid once a rep hits their third sale, \$30 for third, \$40 for fourth and \$50 for each sale afterwards. Bounties are paid after 90 days of service.

†† CV varies based on rate plan merchant signs up for and their monthly processing volume.

††† Bounties are paid after 30 days of service. Earn \$50 on the first sale, \$100 on second, \$150 on third sale and \$200 on each sale afterward.

^Bulk order options can only be sold once you reach the ED position (and above).

¤ CV is based off of 1% of the loan amount and paid out over 12 months.

¤¤ Bounties are paid after 30 days of service. Earn \$100 on loans funded between \$10,000 – 19,999.99, \$200 on loans funded between \$20,000 – 29,999.99, \$300 on loans funded between \$30,000 – 39,999.99, \$400 on loans funded between \$40,000 – 49,999.99, \$500 on all loans funded from \$50,000 and above.
